Statement of Continuing Pharmacy Education Credit:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-23-004-H08-P, for 0.5 contact hours (0.05 CEUs). Attendance at the entire knowledge-based activity, completion of the pre and post-test and the evaluation form, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

Statement of Continuing Medical Education:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Live Material CME activity for a maximum of 0.5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Statement of Continuing Nursing Education Credit:

UI Health is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation (OBN-001-91).

In regard to successful completion and contact hours being awarded: 0.5 Continuing Nursing Education contact hours will be awarded to participants who attend the entire duration of the activity and complete the online evaluation following the activity. Advanced practice nurses may count a total of 0.5 contact hours for the pharmacotherapeutic educational requirement.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Education Statements by attending in the entire academic detailing session, completing a pre and post-test, and successfully submitting an activity evaluation. A certificate of completion or uploading of CPE credits to CPE Monitor will be issued after all requirements as described are completed.
