

The Pharmacists' Patient Care Process: Implementing a Unified Approach to Student and Resident Learning

Author: Beth Bryles Phillips, PharmD, BCPS, BCACP, FASHP, FCCP
Rite Aid Professor
University of Georgia College of Pharmacy

Disclosure(s): Dr. Beth Bryles Phillips has no actual or potential conflict of interest in relation to this activity. The reviewers who contributed to this activity have nothing to disclose.

Learning Objectives:

At the end of this knowledge-based activity, participating individuals should be able to:

- Recognize the value of the Joint Commission of Pharmacy Practitioners (JCPP) Pharmacists' Patient Care Process as a model for evidence-based clinical decision making
- Describe the five elements of the PCPP to optimize patient health and medication outcomes
- Identify opportunities to incorporate the PPCP in student and/or resident teaching, learning and feedback

Target Audience: Pharmacists

Fee: Free for UIC COP Faculty and Preceptors; \$10.00 for non-UIC COP participants

Release Date: May 24, 2017 **Expiration Date:** May 24, 2020

Estimated time to complete activity: 1 hour **CE:** 1.0 contact hours (0.1 CEUs)

Please visit <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-17-012-H04-P, for 1.0 contact hours (0.1 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, completing the pre-test, active learning activity, post-test (minimum score of 70% required; may be taken up to 3 times) and activity evaluation; estimating duration of time spent on the activity; and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on Next, then click on Submit All and Finish at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test (score of 70% or higher), a confirmation section will appear with your CE information, and you will have a chance to review the correct answers. If you receive a score lower than 70%, you will receive a message notifying you that you did not pass the post-test. You will have 2 additional opportunities to pass the post-test and receive credit.

Hardware/Software and Internet Requirements can be found at <https://pharmacyce.uic.edu/moodle/>.
