

No JAKing around. Improvements in the assessment and management of Graft versus Host Disease (GVHD)

Authors: Amanda N. Seddon, PharmD, BCPS, BCOP
Director, PGY2 Oncology Pharmacy Residency Program Clinical Pharmacy Specialist,
Hematology/Oncology/Cellular Therapy
Rush University Medical Center
Assistant Professor of Pharmacy Practice
Midwestern University, Chicago College of Pharmacy

Disclosure(s): Dr. Seddon and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

Learning Objectives:

At the end of this knowledge-based activity, participating individuals should be able to:

- Describe the pathophysiology of graft-versus-host disease
- Identify stage and grade of acute or chronic GVHD
- Select treatment options for acute and chronic GVHD for a given patient scenario

Target Audience: Pharmacists

Type of Activity: Knowledge-based

Fee: \$45 for 5 Oncology CE courses. For payment, click here. For 2019 Targeting Cancer participants, please use the access code provided for free access.

Release Date: November 14, 2019

Expiration Date: November 2, 2021

Estimated time to complete activity: 0.75 hour

CE: 0.75 contact hour (0.075 CEUs)

Please visit: <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-19-058-H01-P for 0.75 contact hour (0.075 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, pre-test, a post-test (minimum score of 70% required; may be taken up to 3 times) and an activity evaluation; estimating duration of time spent on the activity; and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacy technicians are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on 'Finish Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test (score of 70% or higher), a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale. If you receive a score lower than 70%, you will receive a message at the top of the page underneath your grade notifying you that you did not pass the post-test. You will have 2 additional opportunities to pass the post-test and receive credit.

Hardware/Software and Internet Requirements can be found at <https://pharmacyce.uic.edu/moodle/>.
