

## Women's Health: Yeast Infections, Urinary Tract Infections, Menstrual Cramps and Menopause

**Author:** Amy Madhiwala, PharmD  
Clinical Pharmacist/Clinical Instructor  
University of Illinois at Chicago College of Pharmacy

**Disclosure (s):** Dr. Madhiwala and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

### Learning Objectives:

**At the end of this knowledge-based activity, participating individuals should be able to:**

- Review what a vaginal yeast infection is and identify common over the counter agents that can help relieve symptoms in women.
- Describe what a urinary tract infection is and identify common over the counter agents that can help relieve symptoms in women.
- Identify what menstrual cramps are and classify common over the counter agents that can help relieve symptoms in women.
- Comprehend what menopause is and identify common over the counter agents that can help relieve symptoms in women.

**Target Audience:** Pharmacy Technicians

**Fee:** \$2.65

**Release Date:** February 26, 2020

**Estimated time to complete activity:** 1.0 hour

**Please visit** <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

**Type of Activity:** Knowledge-based

**Expiration Date:** March 9, 2022

**CE:** 1.0 contact hours (0.1 CEUs)

### Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-20-002-H01-T, for 1.0 contact hours (0.1 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, consisting of video presentation, post-test (minimum score of 70% required; may be taken up to 3 times) and activity evaluation; estimating duration of time spent on the activity; and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacy technicians are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact [pharmce@uic.edu](mailto:pharmce@uic.edu) if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: [www.MyCPEmonitor.net](http://www.MyCPEmonitor.net).

### How to Earn Credit:

Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on 'Finish Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test (score of 70% or higher), a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale. If you receive a score lower than 70%, you will receive a message at the top of the page underneath your grade notifying you that you did not pass the post-test. You will have 2 additional opportunities to pass the post-test and receive credit.

**Hardware/Software and Internet Requirements** can be found at <https://pharmacyce.uic.edu/moodle/>.
