

## Enhancing Advanced Pharmacy Practice Experience (APPE) Precepting with Entrustable Professional Activities (EPAs) and Entrustment-Supervision Scales

### Authors:

**Sheila M. Allen, PharmD, BCPS**  
*Director of Experiential Education*  
*Clinical Assistant Professor, Pharmacy Practice*  
*University of Illinois at Chicago*

**Abigail Elmes, PharmD, BCPS**  
*Research Fellow in Academia & Family Medicine*  
*University of Illinois at Chicago*

**Jennie Jarrett, PharmD, BCPS, MMedEd, FCCP**  
*Assistant Professor, Pharmacy Practice*  
*University of Illinois at Chicago*

**Disclosure (s):** All speakers, planning committee members, and the other reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

### Learning Objectives:

**At the end of this knowledge-based activity, participating individuals should be able to:**

- Describe current EPAs identified by the American Association of College of Pharmacy and their current role within experiential pharmacy education at UIC.
- Utilize a novel EPA-based entrustment-supervision tool for evaluation of APPE students.
- Discuss benefits and challenges for utilization of a novel EPA-based entrustment-supervision tool for evaluation of APPE students.

**Target Audience:** Pharmacists

**Fee:** Free

**Release Date:** June 2, 2021

**Estimated time to complete activity:** 1.5 hour

**Please visit** <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

**Type of Activity:** Knowledge

**Expiration Date:** June 2, 2023

**CE:** 1.5 contact hours (0.15 CEUs)

### Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned an ACPE Universal Activity Number 0016-0000-21-040-H04-P for 1.5 contact hours (0.15 CEUs). Reading the learning objectives and faculty disclosures, participating in the entire knowledge-based activity, active learning activity, post-test and activity evaluation, estimating duration of time spent on the activity, and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact [pharmce@uic.edu](mailto:pharmce@uic.edu) if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: [www.MyCPEmonitor.net](http://www.MyCPEmonitor.net).

**How to Earn Credit:**

Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on 'Finish Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test, a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale.

**Hardware/Software and Internet Requirements** can be found at <https://pharmacyce.uic.edu/moodle/>.

**Provider Contact Information:** For general information please call the Office of Continuing Education and Meeting Services toll-free at (866) PHARM-CE (866-742-7623) or send an e-mail to: [pharmce@uic.edu](mailto:pharmce@uic.edu).
