

Prescriptive Authority for Smoking Cessation Treatment (PASCT) Course

Author: Alex Thorp, PharmD
PGY-1 Rockford Pharmacy Practice Resident
University of Illinois at Chicago College of Pharmacy

Disclosure (s): Dr. Thorp and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose in relation to this activity.

Learning Objectives:

At the end of this application-based activity, participating individuals should be able to:

- Identify common patient barriers to using smoking cessation medications and smoking abstinence
- Compare and contrast all American College of Cardiology (ACC) guideline recommended smoking cessation agents
- Compose a personalized therapeutic quit plan using patient- specific factors

Target Audience: Pharmacist

Type of Activity: Application

Fee: By invitation only. Please use code provided by Dr. Thorp

Release Date: October 5, 2020

Expiration Date: December 31, 2021

Estimated time to complete activity: 1.0 hour

CE: 1.0 contact hours (0.1 CEUs)

Please visit <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-20-052-H01-P, for 1.0 contact hours (0.1 CEUs). Reading the learning objectives and faculty disclosures, participating in the entire application-based activity, active learning patient case activities, completing the activity evaluation, and estimating duration of time spent on the activity and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activities as described above in the Continuing Education Statement, including the completion of the activity evaluation. To answer the active learning patient case questions, select the best answer for each question. Answer choice feedback will be given immediately after the answer choice submission. Once the correct answer has been submitted, participants may proceed to the next question until all patient cases have been completed. Following the completion of the patient cases, participants will need to complete the evaluation in order to receive credit for the continuing education course.

Hardware/Software and Internet Requirements can be found at <https://pharmacyce.uic.edu/moodle/>.

Provider Contact Information: For general information please call the Office of Continuing Education and Meeting Services toll-free at (866) PHARM-CE (866-742-7623) or send an e-mail to: pharmce@uic.edu.
