

## ***Palliating Pain While Avoiding Abuse: Strategies for Responsible Opioid Prescribing***

**Author:** Laura Meyer-Junco, PharmD, BCPS, CPE  
Clinical Assistant Professor/Clinical Pharmacist  
University of Illinois at Chicago College of Pharmacy

**Disclosure(s):** Dr. Meyer-Junco, the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

### **Learning Objectives:**

**At the end of this knowledge-based activity, participating individuals should be able to:**

- Differentiate between opioid abuse and addiction and recognize associated behaviors and risk factors that require intervention.
- Review current opioid prescribing guidelines and applicability to various patient populations in acute and chronic settings.
- Identify components of opioid stewardship practices including risk assessment tools, opioid contracts, and ongoing opioid monitoring.

**Target Audience:** Pharmacists

**Type of Activity:** Knowledge

**Fee:** Free

**Release Date:** January 25, 2021

**Expiration Date:** May 20, 2022

**Estimated time to complete activity:** 1 hour **CE:** 1.0 contact hour (0.1 CEUs)

**Please visit** <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

### **Continuing Education Statement:**

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-20-030-H08-P, for 1.0 contact hour (0.1 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, active learning activity, post-test (minimum score of 70% required; may be taken up to 3 times) and activity evaluation; estimating duration of time spent on the activity; and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact [pharmce@uic.edu](mailto:pharmce@uic.edu) if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: [www.MyCPEmonitor.net](http://www.MyCPEmonitor.net).

### **How to Earn Credit:**

Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on 'Finish Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test (score of 70% or higher), a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale. If you receive a score lower than 70%, you will receive a message at the top of the page underneath your grade notifying you that you did not pass the post-test. You will have 2 additional opportunities to pass the post-test and receive credit. Completion of the activity evaluation is required.

**Hardware/Software and Internet Requirements** can be found at <https://pharmacyce.uic.edu/moodle/>.
