COVID-19 Vaccines for Pharmacy Technicians

Authors:
Lori Uildriks, PharmD, CPS, BCGP
Clinical Pharmacist
University of Illinois at Chicago College of Pharmacy

and

Corinne Puchalla, PharmD
Clinical Pharmacist
University of Illinois at Chicago College of Pharmacy

Disclosure(s): Drs. Uildriks and Puchalla have no relevant financial conflicts of interest in relation to this activity. The reviewers who contributed to this activity have nothing to disclose.

Learning Objectives:
At the end of this knowledge-based activity, participating individuals should be able to:
- Describe the characteristics of the COVID-19 vaccines, storage, and handling requirements for the COVID-19 vaccines.
- Differentiate the preparation and administration procedures for each of the available COVID-19 vaccines.
- Recognize adverse events associated with COVID-19 vaccine administration, appropriate interventions, and required reporting procedures.

Target Audience: Pharmacy Technicians
Fee: $2.65 (free for UI Health pharmacy technicians; use access code)
Release Date: March 22, 2021
Estimated time to complete activity: 2.0 hours
Please visit https://pharmacyce.uic.edu/moodle/ to participate in this activity.

Type of Activity: Knowledge

Expiration Date: March 22, 2023
CE: 2.0 contact hours (0.2 CEUs)

Continuing Education Statement:
The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned an ACPE Universal Activity Number 0016-0000-21-021-H06-T, for 2.0 contact hours (0.2 CEUs). Reading the learning objectives and faculty disclosures, participating in the entire knowledge-based activity, active learning activity, post-test (minimum score of 70% required; may be taken up to 3 times) and activity evaluation, estimating duration of time spent on the activity, and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacy technicians are required to provide their eProfile ID and date of birth (MMDD, year not required) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:
Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them. Once completed, click on 'Finish

Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test (score of 70% or higher), a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale. If you receive a score lower than 70%, you will receive a message at the top of the page underneath your grade notifying you that you did not pass the post-test. You will have 2 additional opportunities to pass the post-test and receive credit.

Hardware/Software and Internet Requirements can be found at https://pharmacyce.uic.edu/moodle/.
