

New Drugs for 2022-2023

Author:

Annette Hayes, PharmD, BCPS, CDCES

Clinical Assistant Pharmacist, UIC College of Pharmacy Rockford

Disclosure (s): Dr. Hayes has no relevant financial conflicts of interest in relation to this activity. The reviewers who contributed to this activity have nothing to disclose.

Learning Objectives:

At the end of this knowledge-based activity, participating individuals should be able to:

- List clinical indications and mechanisms of action for select new medications approved by the U.S. Food and Drug Administration in 2022 or with anticipated approval in late 2022 and 2023
- Describe dosing, administration, safety, and efficacy of select new drugs with 2022/2023 FDA approval or anticipated approval
- Identify patient specific factors to appropriately assess, monitor, and counsel patients receiving therapy

Target Audience: Pharmacists

Type of Activity: Knowledge

Fee: Free

Release Date: February 19, 2023

Expiration Date: January 16, 2025

Estimated time to complete activity: 1.0 hour

CE: 1.0 contact hours (0.1 CEUs)

Please visit <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-23-001-H01-P, for 1.0 contact hours (0.1 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, active learning activity, post-test and activity evaluation; estimating duration of time spent on the activity; and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on 'Finish Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test, a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale.

Hardware/Software and Internet Requirements can be found at <https://pharmacyce.uic.edu/moodle/>.

Provider Contact Information: For general information please call the Office of Continuing Education and Meeting Services toll-free at (866) PHARM-CE (866-742-7623) or send an e-mail to: pharmce@uic.edu.
