

Transplantation of Geriatrics

Author:

Nicole Alvey, PharmD, BCPS, BCTXP, FAST

Associate Professor of Clinical Sciences

*Roosevelt University College of Science,
Health, and Pharmacy*

Clinical Pharmacy Specialist, Solid Organ Transplant

Rush University Medical Center

Disclosure (s): Dr. Nicole Alvey, a speaker, is a consultant for Veloxis Pharmaceuticals. All of the relevant financial relationships have been mitigated through peer review. The reviewers who contributed to this activity have nothing to disclose.

Learning Objectives:

At the end of this knowledge-based activity, participating individuals should be able to:

- Review the risks and benefits of solid organ transplantation in the geriatric population
- Review induction and maintenance immunosuppression regimens regarding efficacy and safety in the geriatric population
- Identify approaches to managing medication regimens related to comorbidities in geriatric transplant recipients

Target Audience: Pharmacists

Type of Activity: Knowledge

Fee: \$10 (or \$45 for all 5 courses). For ITPA 2023 participants who registered for the live program, please use the access code provided to you by email.

Release Date: October 16, 2023

Expiration Date: October 16, 2025

Estimated time to complete activity: 0.75 hours

CE: 0.75 contact hours (0.075 CEUs)

Please visit <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-9999-23-064-H01-P, for 0.75 contact hours (0.075 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, active learning activity, post-test and activity evaluation; estimating duration of time spent on the activity; and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Education Statement. To answer the questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on 'Finish Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test, a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale.

Hardware/Software and Internet Requirements can be found at <https://pharmacyce.uic.edu/moodle/>.

Provider Contact Information: For general information please call the Office of Continuing Education and Meeting Services toll-free at (866) PHARM-CE (866-742-7623) or send an e-mail to: pharmce@uic.edu.
