CEUs)

Please visit <https://pharmacyce.uic.edu/moodle/> to participate in this activity.

Type of Activity: Knowledge

Expiration Date: March 7, 2026

CE: 0.75 contact hours (0.075

Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-24-039-H01-T, for 0.75 contact hours (0.075 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, active learning activity, post-test, and activity evaluation; estimating the duration of time spent on the activity; and submitting NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, pharmacy technicians are required to provide their eProfile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activity as described in the Continuing Education Statement by attending the entire academic detailing session, completing a post-test, and successfully submitting an activity evaluation. The uploading of CPE credits to CPE Monitor will be issued after all requirements as described are completed.

Hardware/Software and Internet Requirements can be found at <https://ce.pharmacy.uic.edu/online-activities/requirements/>
